GRAZ HOLDING

Christmas lights and Christmas tree

The Christmas lighting gives Graz city centre a unique flair in the run-up to Christmas. Numerous squares and streets with different motifs inspire visitors to take a look and be amazed. A special highlight here is the lighting in the Herrengasse.

This year, the Hauptplatz in Graz will also be adorned by a magnificent Christmas tree from the Altaussee region. The Christmas lustre is provided by Energie Graz that decorates the tree festively and lovingly by hand with more than 25,000 lights.

Christmas lighting:
City centre, from Thurs. 21.11.2024, daily 4 pm until 10 pm

Christmas tree:
Hauptplatz, from Sat. 30.11.2024, daily 4 pm until 10 pm
Tues. 24. and Tues. 31.12.2024 until 2 am

ENERGIE GRAZ

Advent projection

In the Advent period, not only streets and squares in the city centre are lit up with Christmas lights but also the Graz city hall. From 1. December, an oversized Advent calendar can even be seen on the façade. In child-like anticipation, all of Graz thus counts down the days to Christmas Eve.

Fairytale forest and Advent wreath on Schloßbergplatz

Visit us in the Forest of Stories and let yourself be enchanted by the magic of the fairytales and the Christmas atmosphere! From 22 November until 24 December 2024, the square is transformed into a magical place for children and their families. Here, you can stroll through the Forest of Stories, decorated with illuminated Christmas trees that are adorned with lovingly designed trinkets. These trinkets showcase illustrations of famous fairytales such as Hansel and Gretel, Snow White and Rumpelstiltskin.

Ice manger in the Landhaushof

The ice manger in the historic Landhaushof is one of the classics of "Advent in Graz" and inspires Christmas lovers in Austria and beyond every year.

With his international team of ice sculptors, the renowned Finnish ice artist Kimmo Frosti transforms more than 33.3 tons of crystal-clear ice into a unique work of art. After dusk, the ice manger is illuminated particularly beautifully in an atmospheric setting.
